

Src/Sensors/AnalogSensors  
/App.c

```
graph TD; A[Src/Sensors/AnalogSensors/App.c] --> B[../../includes/App.h]; A --> C[stdio.h];
```

The diagram illustrates the file dependencies for the source file `App.c`. It is located in the directory `Src/Sensors/AnalogSensors`. Two blue arrows point from the source file box to the header files it depends on: `../../includes/App.h` and the standard C library header `stdio.h`.

../../includes/App.h

stdio.h
